## Corporate Governance

Gain valuable insights, boost efficiency and performance with **Audit Logs**, ensuring corporate governance at any point in time.

The screenshot displays the 'Audit Log' section of the TenderBoard interface. The header includes navigation links for 'TENDERBOARD', 'DEALS', 'TOOLS AND REPORTS', 'RESOURCES', and 'MANAGEMENT', along with a user profile 'Hi TPLTestBuyerAdmin'. The main content area is titled 'Audit Log' with the subtitle 'Trace your organization activity'. Below this, the organization is identified as 'TenderBoard Testing Pte Ltd'. The audit log consists of a table with 12 rows, each representing a specific action. The actions include 'Report Created', 'Chain Updated', 'Settings Updated', 'Account Updated', and 'Supplier Updated', with corresponding timestamps and user information. A pagination control is visible at the top right of the table area.

Action	Timestamp	User
Report Created	23 Feb 21, 1:44pm	Admin created report designer (Demo) Customized Company Report
Chain Updated	17 Feb 21, 4:19pm	Admin updated approval chain Sourcing Workflow
Chain Updated	17 Feb 21, 4:18pm	Admin updated approval chain Sourcing Workflow
Settings Updated	17 Feb 21, 4:18pm	Admin updated organization settings
Account Updated	17 Feb 21, 4:18pm	Admin updated account TPLTestBuyerAdmin
Supplier Updated	1 Feb 21, 8:46pm	SIMM User 18 updated the supplier xyz pte ltd
Supplier Updated	1 Feb 21, 8:30pm	SIMM User 9 updated the supplier xyz pte ltd
Account Updated	1 Feb 21, 10:54am	SIMM User 1 updated account SIMM User5
Account Updated	1 Feb 21, 10:54am	SIMM User 1 updated account SIMM User4
Account Updated	1 Feb 21, 10:53am	SIMM User 1 updated account SIMM User3
Account Updated	1 Feb 21, 10:53am	SIMM User 1 updated account SIMM User2
Account Updated	31 Jan 21, 10:11am	tenderbotadmin (TenderBoard Pte Ltd) updated account SIMM User9
